

Dear New Trier Families,

Our highest priorities are the safety and well-being of our students and staff, and we continuously work to ensure that our school is a secure environment. In partnership with the New Trier Parents' Association *Parent University*, we would like to invite parents/guardians to join Superintendent Paul Sally, Director of Safety, Rai Pavely and me where we will share information about **Understanding New Trier's Emergency Operations Plan on Tuesday, October 8, 6:30 - 8:00 p.m. in the McGee Theatre at the Winnetka Campus**. We will provide an overview of safety measures we have implemented, including building security, emergency preparedness plan and communication, and training.

During this session, we will also discuss how families can contribute to maintaining a safe school environment, whether through communication with the school or reinforcing key safety messages at home. Your feedback and involvement are invaluable to our ongoing efforts.

If there are specific questions you'd like addressed, please let us know [here](#).

We look forward to seeing you at this event.

Sincerely,

Denise Dubravec

Principal/Assistant Superintendent, Winnetka Campus
