

Dear Class of 2027 and Family,

Welcome to New Trier High School! Through our Mobile Learning Program (**MLP**), New Trier is committed to integrating mobile technology into our classrooms in meaningful and transformative ways. The iPad offers a unique set of features that create opportunities for:

- individualized learning,
- increased student engagement,
- improved efficiency & streamlined digital workflows, and
- efficient and timely feedback between teachers and students.

All New Trier students are required to have a New Trier-issued iPad to access tools and resources used daily in their classes. The District partially subsidizes this purchase, which includes an iPad, wireless keyboard, durable case, and 4-year AppleCare protection. **Beginning on May 2nd**, you can go to the [MLP Portal](#) and get started by:

- Locating the “**My iPad Selection**” button along the left (browser) or on top (mobile)
 - Enter your last name: **[[Student Last Name]]**
 - Enter your Student ID#: **[[Student ID]]**
- Making your iPad selection by choosing one of these options:
 - Purchase iPad - \$400 per child.
 - iPad Loan Program for families in need of financial assistance. For more information visit the [financial assistance program](#) page and begin the application process. Families will need to have approval to pick up an iPad on their scheduled distribution day.
- Signing up for a mandatory iPad orientation
 - Students will come to their scheduled orientation, which will last approximately 1.5 hours, to pick up and set up their iPads. In this self-guided orientation students will access core academic apps and resources, as well as learn essential digital workflows. Instructional Technology Specialists will be available onsite throughout for guidance and troubleshooting.

Important Reminders:

- Please complete your iPad purchase and select an orientation day and time **by June 12th, 2023**.
- On your orientation day, please bring a photo ID and proof of iPad purchase (such as a printout of your receipt or email on your mobile device).
- Students will have the opportunity to take their NTHS ID picture on their iPad orientation day.
- Due to space constraints, parents will not attend iPad orientations with their student(s).

If your student plans to attend summer school, please complete your iPad purchase by May 31st 2023.

If your student is not attending New Trier next year, please let us know at registrar@nths.net. For more detailed information about New Trier’s Mobile Learning Program, please visit the [program website](#).

If you need assistance, please contact iPadHelp@nths.net.

We look forward to working with your student!

Thank you,
Trev IT, Technology Department
