

NEW TRIER TOWNSHIP HIGH SCHOOL DISTRICT 203

To commit minds to inquiry, hearts to compassion, and lives to the service of humanity.®

Dear Students, Parents and Guardians,

June 10, 2025

Welcome, Class of 2029, to the Northfield Campus of New Trier High School! You are about to begin your first, exciting year at New Trier. We are looking forward to working with you and your family this year. We want to inform you of two upcoming opportunities to learn more about the New Trier High School experience for students receiving special education support.

- First, we will host an open house for **students and their parents** at the Northfield Campus on **Friday, August 15, 2025. The Open House will be broken into three half-hour sessions: 12:00 noon, 12:45 pm and 1:30 pm, in room C234.** Please register for a session here: <https://forms.gle/8FCHT5rmCeGnenrM6>
- For each session, I will walk the group through reading the block schedule. Staff members and I will then be available to answer questions. Please bring your student's schedule with you. You will be receiving your student's schedule in early August. (Please note: these schedules will **not** have the name of teachers or special education case managers. Teacher assignments are not finalized, so this information is not available.) After the session you can explore the campus.
- Parents (**no students please**) are also invited to come to the Northfield Campus on **Wednesday August 27th or Thursday August 28th at 6:15 pm, in room C234,** (before the Parent Advisory meetings), for a more formal introduction to our program. The agenda is as follows:

6:15-6:45 The Special Education Administrative Staff will give a brief overview of our services, define roles and resources, and suggest some strategies to help you and your child successfully navigate the beginning of high school.

6:45 -6:55 We will answer questions and give you an opportunity to schedule a 20-minute conference with your child's Resource Seminar teacher (case manager) for the near future if you have not already done so.

Without question, freshman year is busy and demanding, but it will also be full of important memories. Let us help you make the most of this year and beyond, so you can reach your true potential. Our goal is to provide you with assistance and support throughout your years at New Trier.

We look forward to seeing you in August.

Sincerely,

Colleen Koulentes
Special Education
Department Coordinator
Northfield Campus
