

# 2025 New Trier Boys Soccer Soph/Jun/Senior Summer Soccer

## Welcome

The New Trier Summer Soccer Program is designed to promote the following:

- *Help the coaching staff get to know you as a player and as a person*
- *Help you get to know the coaching staff and our program expectations*
- *Improve your technical, tactical, physical, and mental skills in a fun, safe, and player-centered environment*

We will have fun and work hard to improve ourselves every day! Our expectation is that you show up ready to play. You will receive a ball and a program t-shirt. Bring your ball to camp every day and wear your t-shirt on game days.

## Expectations

Arrive early and be ready to start our team warm-up at the set time. Each day of camp, you must check-in with the coaching staff before entering the turf fields. We typically play on Field 1 and Field 2 (i.e., the turf fields east of the Stadium).

You must have soccer cleats, shin guards, soccer shorts and an athletic t-shirt in order to practice. You may not wear your local club team gear to New Trier soccer practice. You may, however, proudly rep your favorite professional club teams and international teams!

Water: Bring a water bottle every day! We will also have water available on campus for refilling water bottles and/or quick water breaks during training.

Soccer Ball: Bring your New Trier summer league soccer ball every day!

**NEW FOR 2025** – We will be incorporating a strength & conditioning workout from June 6 thru July 24. There is no additional cost or registration for these workouts.
